About Us

On June 22, 2008, five saints began meeting on the proper ground of oneness, including a family of four and a brother that was gained by the Lord on campus in Winnipeg and who was working at that time in Regina. In early 2009, two additional families from Montreal also immigrated to the capital city. Since that time, the brothers and sisters continued meeting regularly every Lord's Day in the homes until eventually the saints rented a place for meetings.

After much prayer and thorough fellowship with the surrounding localities and the co-workers, the Church in Regina became established and began breaking bread on March 17, 2013. A total of over 150 saints from the different localities all over Canada battled a snowstorm to witness the first Lord's Table Meeting.

Since then and until now, the saints continued to grow in number and in life. The Lord has truly been faithful to add more brothers and sisters through immigration. We feel that the Lord is continually moving, shepherding, and strengthening the church through the yearly increase.

At present, the saints regularly meet in person. Around 40 saints attend the Lord's Table Meetings, the Church Pursuit Meetings and the Prayer Meetings weekly. There are also regular Children's Meetings and Young People with College Students Meetings on campus.

For the church's plan and activities, there are coordinating brothers who meet once a month to pray and fellowship. The church's goal is to gain more seeking believers, even local ones, and increase the number of meeting ones to 60 in 2025.

Church Direction 2025

*“For the **perfecting** of the saints unto the work of the ministry, unto the **building up** of the Body of Christ, Until we all arrive at the oneness of the faith and of the full knowledge of the Son of God, at a full-grown man, at the measure of the stature of the fullness of Christ,”*

(Ephesians 4:12-13)

We need to **gather the believers into small groups** and **have group meetings** with them regularly for fellowship, prayer, raising up, building up, and carrying out the **practical church life** so that they may arrive at the oneness of the faith and of the full knowledge of the Son of God, at a full-grown man, at the measure of the stature of the fullness of Christ (Eph. 4:12-13).

This means that in the small group meetings, the believers are on the way to arriving at a destination. This destination is first **the oneness of the faith** and of **the full knowledge of the Son of God**. *The faith* refers to **Christ’s redemptive work**, and the Son of God refers to **Christ’s person**. We should not care for different teachings. We should only care for what Christ did for us and for what Christ is to us today.

All the other teachings should be let go. Then we will not be tossed by waves and carried about by every wind of teaching (v. 14). Even though some teachings may be good and scriptural, they can carry us away from the central lane of God’s New Testament economy concerning Christ and the church. We should only care for **Christ’s redemptive work** and **His unique person**. We need to arrive at this oneness. (*The Practical and Organic Building Up of the Church, CWWL, 1989, vol. 1, p.332*)

“*Rejoice in hope; endure in tribulation; persevere in prayer. Contribute to the needs of the saints; pursue hospitality. Bless those who persecute you; bless and do not curse.*” (Romans 12:12-14)

ALL SHOULD LEARN

With regard to the practical affairs of the church, the brothers and sisters must be very concerned and very clear. Regardless of what kind of affair it is, all must put their hand to it. For example, **the cleaning of the meeting place and the care and arrangement of the blankets and sheets that belong to the church** are all in the nature of the service of the Levites. **The care of those who are needy among us** and the receiving and sending off of visiting brothers and sisters are also work in the nature of the Levitical service. **There is a great amount of work in the nature of the Levitical service.** There is much work in the **church service office**, which is also Levitical.

When a person serves God, there is the priestly work on the one hand, and there is the Levitical work on the other hand. Both should be accomplished. On the one hand, you participate in the spiritual service, and on the other hand, **you should also take care of the practical affairs.** Remember that Stephen and some others took care of serving food. That was the service of the deacons, the work of the Levites. When the disciples distributed the loaves and collected twelve baskets of fragments and on another occasion collected seven baskets of fragments, **they were doing the work of the deacons.** In particular, Judas's responsibility for the purse was the business of the **deacons.** The Lord Jesus at the well at Sychar sent His disciples away to buy food. Their buying of food also was the work of the **deacons.** These things occupy a great part of Christian work. This category of things is what everyone in the church must properly learn before God.

TWELVE ITEMS OF PRACTICAL AFFAIRS

There are many things that we can consider before the Lord: (1) the cleaning work; (2) the arranging of the hall and the work of ushering; (3) the need for a group of brothers and sisters to take care of the breaking of bread and the baptisms. Some need to be responsible for the bread and the cup for the bread-breaking meeting. We also need some who are trained to take care of the matters related to baptisms, such as helping those who are being baptized go down and come up out of the water, change their clothes, etc. (4) Giving to the poor among the unbelievers. When unbelievers are involved in disasters of floods or fire, the church should take care of them. (5) Caring for those who are poor among us; (6) the receiving and sending of brothers; (7) the bookkeeping; (8) the kitchen service; (9) the service office; (10) the transportation service. In places where cars or vans are available, some need to oversee their use. (11) The clerical work, which includes handling the incoming and outgoing mail; and (12) helping the poor brothers and sisters do their household chores, including laundry, sewing, mending, etc.

I also expect that every brother and sister will bear the burden in practical affairs. **Never let a situation exist where some have things to do and others are doing nothing. The service of the church is always for everyone.** If there are some brothers and sisters in our midst who have time, it would be good for them to help other brothers and sisters in their housework. Every week they could go to another brother's or sister's house to help for an hour or two, doing some miscellaneous things for them. Especially, it would be good for those sisters who are housewives with wealth and good standing to go to some brother's or sister's house to do some washing and mending. **They should not just have people working for them, while they themselves do nothing.** It befits them as Christians to go to the homes of poor brothers and sisters and do things with their own hands.
